

# RTPS ORANGE PHASE GAME ATTENDANCE POLICY

**\*\*\* THIS POLICY MAY CHANGE AT ANY TIME \*\*\***

## Richardton Gym

1. Each participant will receive 2 passes. This is for home and away fans.
2. Encourage parents to leave once their son/daughter's team is done playing.
3. Masks are worn until you are seated in the bleachers, and anytime you leave the bleachers during the contest. We strongly encourage masks being worn at all times.
4. Social distancing in the stands is strongly encouraged.
5. Players/coaches are not required to wear masks on the sideline since they are on the opposite side of the gym than the fans.
6. Games will be livestreamed on [nfhsnetwork.com](http://nfhsnetwork.com).

## Taylor Gym

1. Each **RTPS** participant will receive 2 passes. With there being limited space in the Taylor gym, we will not be allowing any **AWAY** fans to attend the games that are played in Taylor.
2. Encourage parents to leave once their son/daughter's team is done playing.
3. Masks are worn until you are seated in the bleachers, and anytime you leave the bleachers during the contest. We strongly encourage masks being worn at all times.
4. Social distancing in the stands is strongly encouraged.
5. Players/coaches **ARE REQUIRED** to wear masks on the sideline since they share the bleachers with the fans.
6. We are going to try and move some games that are now scheduled to be played in Taylor over to Richardton. We do not yet have a pixellott camera over in Taylor. We will try and Facebook live the events on our RTPS Facebook page so that away fans can watch.
