SUPERINTENDENT'S LETTER TO SUPPORT STAFF PERSONNEL

In order to advance the objectives of our school district and look out for the interests of our employees, Richardton-Taylor Public School District has developed a policy manual. It will help you understand what is expected of you and what you can expect from the school district.

This manual serves as a guideline and reference for employees and their supervisors. It shall not be construed to form a contract of employment between the Richardton-Taylor Public School District and its employees. The Richardton-Taylor Public School District reserves the unilateral right to change the handbook at any time.

Employees and the Richardton-Taylor Public School District are engaged in an at-will employment relationship. Either part is free to terminate the relationship at any time, with or without reason/notice. The Richardton-Taylor Public School District is not bound by any oral promises concerning an employee's length of employment

Please familiarize yourself with the contents of this manual to ensure that all personnel policies are administered fairly and effectively.

FUNCTIONS OF THIS MANUAL

This manual is an outline of the basic personnel policies, practices, and procedures of the Richardton-Taylor Public School District and addresses terms of employment for all employees that are not covered by the teacher or administrative benefit packages. It contains general statements of school district policy and it should not be read as including the fine details of each policy, nor as forming an express or implied contract or promise that the policies discussed in it will be applied in all cases, nor is it to be interpreted to alter, amend, or extend any of the terms of any written contract of employment existing between the employee and the district.

This manual does **not** constitute a contractual agreement between the employees and the Richardton-Taylor Public School District. It is meant for the informational purposes to understand possible working conditions and relationships.

The school district may add to the policies in the manual or revoke or modify them from time to time. Administration will try to keep the manual current, but there may be times when policy will change before this material can be revised and published. A complete up-to-date set of these policies is available to review in the Superintendent's office or the Business Manager's office.

The District, as a service to support staff employees, publishes the Classified Employee Manual. The manual can be a useful reference for providing information and answering questions relating to personnel concerns and operation of the district. To quickly and easily locate items of interest, please consult the Table of Contents. Policy manuals are available in the main office of each school building and from the Business Manager.

The Business Manager is responsible for the distribution of copies of the Classified Employee Manual. Because of the importance of personnel policies and practices in the conduct of school business, the policy manual will continually be reviewed by the administration and school board who will recommend changes in the school district's personnel policies, its employee benefit programs, and its salary administration programs. Input from employees concerning policies is always welcome and encouraged.

Any employee may recommend a change in policy to the Superintendent. Likewise, matters of importance not covered by the manual should be brought to the attention of the Superintendent in order that new policy may be formulated if necessary.

The policies described here are not conditions of employment, and the language is not intended to create a contract between the Richardton-Taylor Public School District and its employees.

PAYROLL SCHEDULE

The district has two pay dates per month, the 6th and the 20th. The general workweek is Midnight Sunday to Midnight Saturday. All regular employees are paid on the bi-monthly per the payroll schedule set at the beginning of each school term. Substitute teachers, activity directors/coaches and contracted route bus drivers are generally paid the 20th pay period. If the payday falls on a non-school day, wages will be paid no later than the last working day

prior to the pay date. A list of scheduled paydays is available at each school site. Salary is received through Direct Deposit into the employee's bank of choice for all regular employees. Substitute, seasonal or short-term employees may choose to be paid through direct deposit or via paper check. Payroll Advice Statements will be sent out each pay period by the Payroll Department. The work week is defined as beginning at 12:01 AM Sunday and ending at 12:00 Midnight Saturday.

PAY ADVANCES

Neither pay advances nor extensions of credit on unearned wages will be provided.

TIME & ATTENDANCE REPORTING

Accurately recording time worked is the responsibility of every employee. Federal and state laws require the Richardton-Taylor Public School District to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties.

Hourly employees should accurately record the time they begin and end their work, as well as the beginning and ending time of each meal period using the online time and attendance reporting system. Missing punches must be corrected each week and online timecards must be reviewed by employees at the end of each pay period before a payroll check can be issued. Absences and leave time must be reported as part of the time record.

Tampering, altering, falsifying time records, or recording time on another employee's time record may result in disciplinary action, including discharge.

MEAL PERIODS & BREAKS

All employees working for periods greater than five (5) hours in length are required to take a minimum of thirty (30) minute break and must use the time keeping system to record the end and beginning of the work sessions. Employees will not be paid for meal periods. If an employee forgets to check in/out for a lunch break, the time keeping system will automatically deduct a half hour from the daily hours worked. Employees are not required to "clock in" or "out" for 15-minute coffee breaks. Breaks are not a requirement of the law and may be taken if time or schedule permits and will be paid breaks by the employer.

OVERTIME

When operating requirements or other needs cannot be met during regular working hours, employees may be scheduled to work overtime hours. All overtime work must have prior authorization from the Business Manager or Superintendent. Overtime assignments will be distributed as equitably as practical to all employees qualified to perform the required work.

As required by law, overtime pay is based on actual hours worked and is paid at the rate of one and one-half times their regular rate of pay for hours worked in excess of forty (40) hours during the work week. Time off for sick leave, vacation leave, or any leave of absence will not be considered hours worked for the purposes of performing overtime calculations.

Overtime hours may not be banked, flexed, or used as compensatory time toward another work week.

Failure to work scheduled overtime, or overtime worked without prior authorization from the Superintendent, may result in disciplinary action, up to and including possible discharge.

PAYROLL CORRECTIONS

The Richardton-Taylor School takes all reasonable steps to assure that employees receive the correct amount of pay in each paycheck and the employees are paid promptly on the scheduled payday. In the unlikely event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the Business Manager so corrections can be made as quickly as possible. Underpayments will be corrected on the next regular paycheck. Overpayments will also be corrected on the next regular paycheck unless this presents a burden to the employee, where there is a substantial amount owed. In that case the school will attempt to arrange a schedule of repayments with the employee to minimize the inconvenience to all involved.

PAYROLL DEDUCTIONS

The law requires that the Richardton-Taylor Public School District make certain deductions from every employee's compensation. Automatic payroll deductions for Federal Income Tax (IRS), Social Security, and Medicare tax deductions are required for all employees hired.

Other payroll deductions employees may include: premiums for annuities, dues, health insurance, dependent care spending, medical flex spending, auto insurance or life insurance. These deductions must be approved deductions according to the district section 125 plan document. Employees who wish to participate in these programs may voluntarily authorize deductions from their checks.

EVALUATIONS

The Superintendent, supervisors, and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. The purpose of staff evaluation is primarily improvement and growth in the employees work and secondly, to assist in the service recognition, promotion, nonrenewal, discipline, and dismissal of employees.

Formal performance evaluations will be conducted to provide supervisors and employees the opportunity to discuss job responsibilities, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

EXPENSE REIMBURSEMENT

Before any travel expenses are incurred by an employee, the employee's supervisor and appropriate business office officials must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule authorized by the school board. Employees must submit the agenda for the purpose of the travel to be reimbursed for travel expenses. Meal and Hotel receipts should be attached to the expense reimbursement request.

Mileage: In accordance with rate established by the Board of Education.

STAFF CONFLICT OF INTEREST

The Richardton-Taylor School Board and administration not only suggest that staff members of the Richardton-Taylor Public School District adhere to all laws regarding conflict of interest, but also be alert to and avoid situations which have the appearance of a conflict of interest. The School Board discourages substantial and continuing school related business relationships between Board and staff.

EMPLOYMENT OF RELATIVES/ NEPOTISM

In order that there be no conflict of interest in the supervision and evaluation of employees, no employee will be placed in any position, except in a temporary situation caused by the absence of the regular supervisor, wherein direct administrative or supervisory authority is exercised by a close relative or by any other relative residing in the same household. No employee will be placed in any position wherein he/she would be involved in the hiring of a new employee if one of the candidates is a close relative. A close relative is defined as father, mother, sister, brother, spouse, son, daughter, or daughter-in-law, son-in-law, sister-in-law, or brother-in-law. No relative of an employee will be shown preference for employment in either a temporary or permanent position.

A permanent educational record is kept on all students enrolled in the Richardton-Taylor Public School District. This is a highly private record to be used only by the professional staff immediately concerned with the student's welfare. Employees of the Richardton-Taylor Public School District may not share any information from school district records except during private staff meetings where the information is necessary to the advancement of the education of a student.

All records when not in use shall be secured. Each principal is responsible for record maintenance and access within his or her building. A breach of confidentiality will be handled under the North Dakota Century Code, Section 15-36-15, and Subsection 6.

SAFETY POLICY

The reduction of accidents and claims are a goal of the administration.

Each employee has the responsibility for his/her own safety, as well as the safety of his/her employees. District Safety <http://www.Richardton-Taylor.k12.nd.us>

Employees must report any accident to their supervisor immediately. If the employee's supervisor is unavailable, the employee must contact the building supervisor, Superintendent, business manager or school secretary to report an accident. Employees should also report a near miss or close call, which occurred to them or they witnessed. Reports must be on all accidents not just those resulting in an injury.

Employees who are reimbursed by Workers Compensation for days absent from work cannot have sick leave payments or any other district provided insurance exceed their regular earnings. When an employee has a loss time claim and receives workers compensation reimbursement, the employee must send a copy of the workers compensation check to payroll. Credit to the employee's sick leave account will be calculated by dividing the amount of the workers compensation check by the employee's hourly rate.

If an employee receives more than the regularly scheduled earnings, the district will deduct the overage in the next pay period.

As part of the North Dakota Workers Compensation Risk Management Plan, the Richardton-Taylor Public School District selected Work Life and Career Care as its primary designated medical providers. Any employee who is injured on the job and requires attention must report to Work Life at MidDakota Clinic or Career Care at Q& R Clinic. If an employee wants a medical provider not associated with WorkLife or Career Care approval must be designated prior to the work-related injury. Contact the Superintendent or Business Manager for approval.
